The Appleton Area School District (AASD) Board of Education, in its charter with the Classical Charter School Association Board of Directors, granted permission for students graduating from eighth grade at Classical School to choose to attend either Appleton East, North, or West High School.

Please complete the form below to indicate which high school your eighth grade student will attend in 2020-21. **Forms must be returned to your student's homeroom teacher or the Classical School office by December 13, 2019.**

PLEASE NOTE:

- If you reside within the Appleton Area School District and your form is not received by the deadline, your student will be automatically enrolled in his or her AASD neighborhood high school as determined by the location of your residence.

- If you reside outside of the Appleton Area School District and your form is not received by the deadline, your student will be assigned to an AASD high school where there is space or the high school AASD has designated for students for co-curriculars.
