EXPLORE NORTH NIGHT

Appleton North High School's EXPLORE NORTH Night is an opportunity for North students and families to see what courses and opportunities are available at North High School in order to make more educated course selections based on interests and potential career pathways.

- Ask questions, learn about specific courses
- Seek course recommendations based on interests and potential career path
- Look for new courses and opportunities to broaden your learning experiences
- Meet Teachers and learn about their classes
- Investigate charter school options

**FVTC will be
at EXPLORE!**
